2015/16	\$2,800,000	139	300	40
2016/17	\$2,800,000	132**	306	47

* Average hours per week, including repeat broadcasts

^ Service transitioned from TVNZ Access Services to ABLE in Nov 2013.

** Able advise the reason the weekly captioned hours produced declined in 2016/17 is they had a lower surplus carried forward from the previous year so they had less funds available to invest in caption file purchases.
